

# Success Story: Burnham Public School

Burnham Public School decided to simplify its lunch program by adopting Lunchbox by SchoolCash Online (LBSCO) in November 2021. Now fully implemented, the full service, online ordering solution is benefitting the Cobourg, Ontario-based school by eliminating significant administrative effort. Furthermore, LBSCO has provided Burnham with an efficient means of collecting donations through each order, allowing the school to collect over \$4,000 in just six months.

“Lunchbox by SchoolCash Online is fantastic. The workload at the school level is minimal and the fundraising return to the school is unbelievable. The LBSCO team provides end-to-end management, which has removed time-consuming, labour-intensive administrative tasks, such as counting money and organizing orders. We have had tremendous success this year and are looking forward to continued growth with the program.”
