## OKEVGROUP School Cash Simplified

School Cash Supplies

TRA, Technology Resource Associates, was founded by Tom Rickman. Tom's mission was to develop an automated solution for school activity accounting. With years of dedication to this mission and to clients, TRA's expertise has allowed them to thrive in the industry.

KEV Group was founded to simplify the way schools manage their school generated funds on a day to day basis. As school office administrators, their goal was to give precious time back to their peers in neighbouring districts by offering simplified school accounting.

KEV Group and TRA are proud to join together to provide industry-leading online payment, accounting, activity tracking solutions and supplies to more than 16,500 schools across North America.

For more than 30 years, KEV Group's School Cash Suite, and TRA's School Funds Online, have helped schools and school districts ensure the security and transparency of student activity funds. Now under one banner, KEV Group's full line of products are best in class.

Our full line of School Cash and School Funds system matched supplies provide best in class quality and security features offered by the industry. We Guarantee It!

#### Placing your order

Visit <u>supplies.schoolcash.com</u> to register as a new user. Once logged in you simply choose from the available products and customize with your school's information. The virtual proof will update as you type in the fields, so you can see how your paper form will look. Once satisfied with your proof choose your quantity and add the item to the cart.

#### **Banking information**

First orders for cheques and deposits will require a sample upload. Please upload a scanned copy of your current check or deposit, so we can see the routing and account number (MICR line). We also can use a MICR specification sheet from the bank. This will only be required for the first order, to ensure the proper placement of the magnetic ink printed on your forms so they scan at the bank.

#### Purchase order

We do accept purchase orders. Please provide the purchase order information during check out, including the billing address and purchase order number. You can save your cart for later if you need the pricing information to generate your PO.

#### **Shipping cost**

A shipping calculator is on the checkout screen, this shows you the shipping cost before placing your order.

#### **Credit Card Payments**

You have the option at check out to pay directly with your credit card, and an order confirmation will be sent to your email.

#### Packaging options (based on your printer feed)
