

SchoolCashForms

Digitally create, collect, and view
all school activity forms

School Cash Forms is a digital form solution that enables your district to easily and securely collect information from parents, students, and the general public. By leveraging *School Cash's* existing payment infrastructure and student information data, districts can eliminate the complexity of countless paper forms traveling between homes and schools.

Get More Parents Using Online Payments

Parents are already filling out the form online, so paying online is an easy next step.

Accuracy

Safeguard against illegible information.

Security

Form submissions are completed securely online.

Going Green

With *School Cash Forms* you can replace traditional paper handouts with eco-friendly digital forms. Save time and money by eliminating the need to print and reprint thousands of forms.

The KEV Difference

Customization

Get creative! Add graphics, personalized messages, and more with our completely customizable forms. Plus, common field types make it easy to collect information ranging from an address to a photo.

Drag-and-Drop Interface

The simple interface makes creating a form easy and intuitive. Simply click the fields you want and drag them over to your form.

Real-Time Price Adjustments

Incorporate price adjustments into the item's sale price based on what fields are selected by parents. All these costs automatically integrate with your *School Cash* reports.

Reporting

Reports in *School Cash Forms* allow you to easily view and export submission results from everyone who has completed your online forms.

ABOUT SCHOOL CASH

KEV Group's *School Cash* is a cloud-based solution designed to manage every dollar flowing through schools. It is the only software available that fully integrates online payments, fee management, lunch payments, digital forms, and school-level accounting. The system ensures that schools and districts have the most secure and efficient management of their school activity funds possible. We set out to give precious time back to administrators, and the result is a comprehensive software suite.

School Cash is the most trusted choice for student generated funds management.
