

# SchoolCash Management

Cloud-Based Activity Fund Management  
for K-12 Public Schools

Designed by school bookkeepers, our solution delivers the simple and intuitive fund management functionality your staff wants and will use, along with the visibility your district needs.

## Best-In-Class User Experience

We ensure it's easy for your district to implement and train all in-school users, even when they lack accounting experience. You will be protecting your district against fraud and passing audits in no time with *School Cash Management*. Here's how we do it:

- Customized training and personalized implementation for every district. We have 30+ years of no-fail implementations.
- Knowledgeable support provided by an experienced client support team with 100+ years of collective school finance experience.
- Automatic, regular updates with the latest and greatest *School Cash Management* features.
- Seamless integration with *School Cash Online* to enhance the parent shopping experience.

## Clean Audits

Comprehensive auditing tools such as modified transaction logs, random data queries, and detailed reports create a complete audit trail designed to help your district perform efficient and accurate audits.

## Financial Integrity

Prevent fraudulent activity, losses, and the mismanagement of funds with internal controls such as approval workflows, predefined user access levels, data validations, and real-time reporting.

## Unparalleled Visibility

District and auditor oversight are now at your fingertips with on-demand, real-time access to all activity fund data. Robust and customizable reporting (either by school or consolidated) ensures that you have the data you need, when you need it.

## The KEV Difference

### Fully Integrated with *School Cash Online*

Chart of Accounts

Tight Audit Controls

Cash Receipting

Cash Distribution

General Ledger with Advanced Inquiry

Bank Reconciliations

Journal Entries

Robust, Customizable Reporting

On-Demand, Real-Time Visibility  
Across the District

## ABOUT *SCHOOL CASH*

KEV Group's *School Cash* is a cloud-based solution designed to manage every dollar flowing through schools. It is the only software available that fully integrates online payments, fee management, lunch payments, digital forms, and school-level accounting. The system ensures that schools and districts have the most secure and efficient management of their school activity funds possible. We set out to give precious time back to administrators, and the result is a comprehensive software suite.

*School Cash* is the most trusted  
choice for student generated  
funds management.
