SchoolCashOnline

Convenient and secure online payments completely integrated with your *School Cash* solution

Designed by school bookkeepers, our solution delivers the simple and intuitive fee management functionality your staff wants and will use, along with the transparency your district needs.

Convenience, security, and ease-of-use are top of mind for district staff, school staff, and parents. With *School Cash Online*, we ensure school and district level fees are handled with the appropriate processes, structure, and financial insight. Here's how we help:

- Funds are quickly collected from parents, posted to your General Ledger, and deposited nightly in your account.

- Seamless integration with *School Cash Management* and SIS systems allows fees and payments to be easily assigned by student, homeroom, grade, course, team, or club.

- Unparalleled transparency and fraud prevention with our best-in-class reporting and audit tools.

- Industry-leading, secure, cloud-based hosting with comprehensive layers of protection for your data.

Contactless Transactions

Cash can be collected online, through integrated POS Clover Devices, and in-school to ensure all student-generated funds are captured. Digital collection options help reduce the risk of lost payments and facilitates easier refunds. You can also use online payment collection for district-level fees, including staff benefit payments.

Financial Integrity

Full integration with *School Cash Management* ensures consistency in chart of accounts, robust reporting, tight audit trail, along with transparent district and auditor oversight. These features are designed to give you insight and protect against fraud.

Best-in-Class User Experience

Your success is our success. We begin with a tailored implementation and then enable your schools and parents to reach 100% online payment participation with the help of your experienced and dedicated Client Success Manager. Easy, secure, and fast. Parents love using *School Cash Online*!

ABOUT *SCHOOL CASH*

KEV Group's *School Cash* is a cloud-based solution designed to manage every dollar flowing through schools. It is the only software available that fully integrates online payments, fee management, lunch payments, digital forms, and school-level accounting. The system ensures that schools and districts have the most secure and efficient management of their school activity funds possible. We set out to give precious time back to administrators, and the result is a comprehensive software suite.

School Cash is the most trusted choice for student generated funds management.
