

# SchoolCashExpress SchoolCashCollections

Teachers, coaches, and PTA members can now enter items for online purchase, collect payments, issue receipts, and view accounts they manage.

## Item Creation

An online request form can be completed when a *School Cash Express* user wishes to make a new fundraiser, activity fee, or student obligation available for purchase online or in the classroom.

## Approval Workflows

To ensure accurate information for parents, school bookkeepers are notified when a *School Cash Express* user submits an item request, the bookkeeper can then edit the request before approving.

### FEATURES

## Comprehensive Payment Collection

The mobile-responsive receipting tool allows *School Cash Collections* users to digitally record cash and check payments in the classroom (or elsewhere), facilitating strict cash controls. Quickly email and print receipts, deposits or corrections for all your items.

## Real-Time Reporting

Users have access to item reports, allowing them to view payment activity and easily determine which students have or have not paid their fees. Easily filter reports by homeroom, course, group, or grade.

## BENEFITS

### Saves Time

Avoid duplication of work that occurs when fees are requested using paper forms and eliminate the need for bookkeepers to generate dozens of payment reports.

### Easy To Use

The simple, intuitive interface accompanied by short how-to videos make it easy for everyone to use. Require no in-person training. All product and training materials are available in-product so users can learn as they go.

### Risk Reduction

Improves cash management practices in the classroom by eliminating unreliable manual processes and providing a secure audit trail. Enhanced digital collection options help reduce the risk of lost payments.

## ABOUT SCHOOL CASH

KEV Group's *School Cash* is a cloud-based solution designed to manage every dollar flowing through schools. It is the only software available that fully integrates online payments, fee management, lunch payments, digital forms, and school-level accounting. The system ensures that schools and districts have the most secure and efficient management of their school activity funds possible. We set out to give precious time back to administrators, and the result is a comprehensive software suite.

*School Cash* is the most trusted choice for student generated funds management.
